Free call 1800 808 488

Problems we can't help with

We can't help if you are ringing about a business or an investment. Also, we can't advise on some types of insurance like workers comp or health insurance.

Your privacy

We are a confidential service. We will not share any of your personal details with anybody outside this service without your consent.

What should you do before you call?

Get any paperwork about your problem ready so that you can tell us what it says.

For example: Letters, bills and account statements, court papers, contracts or insurance policies.
